Background

ECM (Equipment Consultant and Marketing) Services Ltd. has been established in 1990 and registered with the Joint Stock Company with the primary objective of promoting International Trading. The company has a wealth of experience in its promoters / directors, who have successfully engaged for the last 15 years in primarily meeting the Defence sectors requirements from local as well as foreign origins. ECM SERVICES LTD. (ECMSL) is concentrating its efforts in the transport sector specially in supply of Trucks, Container Transporter, Covered Van, Human Hauler (15 seater) Van etc. With the aim of consolidating the marketing activities ECMSL has set up a modern automobile workshop in the name of ECM Auto Centre (ECMAC) at 222 Tejgaon Ind. Area covering an area of 12,000 sft. under technical guidance of RENAULT TRUCKS (France). In addition to support the after sales service to the vehicles & equipment sold by ECMSL, ECMAC will also work as a general automobile workshop for private cars and commercial vehicles.

Nature of Business

ECM SERVICES LTD. represents in Bangladesh companies such as RENAULT TRUCKS (Industrial Vehicles), in France, PANHARD GENARAL DEFENSE- S.A (A Century of Manufacturing Military Vehicles) in France, HOPITALEXPORT (Hospital Equipment) in France, GEMCO MOBILE SYSTEMS (Special Vehicles and Shelters Systems) in the Netherlands, AHLMANN Baumaschinen GMBH (Earth Moving & Mining Equipment) in Germany. DAEWOO Corporation (Defence Equipment & Construction Equipment) in Republic of Korea, Stella-Meta (Water Purification Equipment) in U.K. ECM Management is now more consolidated to effectively pursue in commercial activities by introducing dedicated CNG Engine & Diesel Engine Prime Movers & Heavy Duty Truck from SINOTRUK (World 5th largest heavy duty Truck Manufacturer), China and total solution of HANGCHA brand material handling equipment.
